

REACH Certificate of compliance

Products covered: VPM-17 TriCAP™ vacuum transducer series, P/N: VPM-17-xxxxxxx

Sens4 hereby declares that the products listed above, also referred to as “article(s)”, conform to Directive 1907/2006/CE of the European Parliament and Council, referred to as REACH (Registration, Evaluation, Authorization and Restriction of Chemicals).

REACH requires article suppliers to inform its customers if an article contains a Substance of Very High Concern (SVHC) in excess of 0.1% by weight. The compliance status of the product(s) listed above was confirmed based on the latest 240 substances as updated by ECHA (European Chemical Agency) on January 23th, 2024.

ECHA list for the current candidate list of substances: <https://echa.europa.eu/candidate-list-table>

Under normal use and foreseeable conditions, the product(s) do not release harmful substances nor pose a risk to the environment or user.

Sens4 bases its compliance material content on information partly provided by third party and has taken reasonable steps to ensure that the collected information is accurate and updated.
